

Cleankill has been providing commercial pest control services in London, Surrey, Kent, Sussex and further afield for over twenty years.

We believe we are the most professional, ethical, honest, greenest, caring and best-trained company in our industry.

Being green is at the heart of everything
we do...

**All of the following accreditations take into account
our commitment to the environment. We have
passed all of the assessments with flying colours
including ISO9001 and ISO 14001 which is our
environmental standard and shows commitment to
the environment and customers**
